[redacted] Mr. Clark Norton, Executive Secretary and Legislative Assistant to Senator Bayh, called on the earlier request levied on the Agency by Mr. Gary Allen. See Journal - 1 February. Mr. Norton was interested in reaffirming the "official use" hold down on this Daily Report material. Mr. Allen apparently exceeded his authority in the Senator's office, and Mr. Norton was pleased that we discussed the matter with Mr. Allen in a way that led him to bring it up with Mr. Norton.

[redacted] Called Office of Personnel to check on what is being done on the case of [redacted] applicant referral of Congressman Broyhill, who claims he received a call from the Agency indicating we did not have suitable position and explaining that this is the reason he had not made appointment with Washington Recruitment Office, which was set up for him at Congressman Broyhill's request. Personnel is working on my note containing the substance of my conversation with [redacted] and proposals for solution to the problem. Office of Personnel will advise us.

[redacted] I accompanied [redacted] OSL, to briefing of Mr. James Gehrig, Acting Staff Director of Senate Committee on Aeronautical and Space Sciences. Also present at the briefing was Mr. Roman Mrozinski. Mr. Gehrig expressed his appreciation for the briefing and requested that, if possible, a similar briefing be provided for the entire Committee staff. I indicated I thought this would be possible and that I would check into the matter and be back in touch with him during the week.

[redacted] Met with Mr. Barrell St. Claire, Senate Foreign Relations Committee staff, and advised him that the response to the question raised by Senator Lausche concerning Soviet gold reserves is being incorporated directly in the transcript of the briefing. Mr. St. Claire indicated that in his opinion, this would be sufficient response.
